Our pralines

have a unique taste not only because we use superior ingredients and sophisticated recipes, but also because we do not add any artificial preservatives to our pralines as we do not compromise in this matter. Our chocolates are generally created on order and that is why they are fresh and the most delicious after delivery. Of course, the Chokolissimo chocolates can be stored but no longer than a couple of weeks – the real freshness cannot last forever!

 **THE BAR EXPERIENCE**
 Package dimensions: 202×114×12 mm
 Net weight: 80 g
 Net price: 8,41 EUR

9700 MILK CHOCOLATE BAR 40% COCOA – GHANA

Exceptional chocolate with a touch of oriental and fruity flavours. At first, it delights you with the taste and smell of sweet fruits, such as blueberries, strawberries or cherries. At the same time, it reveals a hidden hint of nuts concealed by a gentle sourness touch giving the chocolate a unique and slightly dry flavour.

9701 DARK CHOCOLATE BAR 75% COCOA – TANZANIA

The hot and humid climate of Tanzania gives the cocoa that grows there a unique savoury taste of ginseng and Chinese angelica roots. In the chocolate created from these beans, one can recognise the touch of bitter nuts balanced with the aroma of red fruits like cherries or plums. This taste experience is complemented with a hint of the best spices.

9702 DARK CHOCOLATE BAR 66% COCOA – MEXICO

At first, it delights you with a strong spicy aroma and then it captivates with the taste of liquorice followed by plum and white fruits. The entire composition is enriched by the taste of dried and aromatic tobacco leaves. This chocolate has one of the most distinctive and strongest flavours.

9706 MILK CHOCOLATE BAR 40% COCOA – ECUADOR

An exceptionally gentle texture of chocolate with a subtle taste, enriched with a hint of red fruits and rose petals. The beans cultivated in the tropical climate have an aroma of walnuts, marzipan and caramel. A subtle and creamy chocolate that we call ideal chocolate.

The process of making chocolate is a kind of art, similar to the process of making wine. We combine chocolate with wine as a comparison or contrast, adjusting together the level of sweetness, intensity and acidity.

Package dimensions: 202×114×12 mm
Net weight: 80 g
Net price: 8,97 EUR

3339 MEXICO MILK CHOCOLATE 40%

Creamy milk chocolate combining a slightly spicy and nutty aroma with a sweet, floral one. Enriched with notes of yellow apricot, it goes very well with semi-sweet and dry wines with high acidity and a fruity aroma.

3340 VENEZUELA DARK CHOCOLATE 72%

Unique dark chocolate with a distinctive cocoa flavour combined with intense woody notes. It combines the taste of walnut liqueur with notes of oak and the taste of exotic fruits (mainly baked bananas and banana cream). This chocolate works perfectly with wines with an intense flavour, a high sweetness factor and a lot of tannins.
